

CERTIFICATE OF VOLUNTEER APPRECIATION

This Certificate is awarded to

Hachem Sfar

in recognition of the contribution to the course

Data Analytics

The volunteer contributed to the ReDI School of Digital Integration **Data Analytics** course in Cyberspace from the **13/09/2022** until the **15/12/2022**. The volunteering experience requires teaching, planning, coordinating and implementing a wide range of tasks and activities in cooperation with a diverse and multidisciplinary teaching team.

COURSE CONTENT

Introduction to Python Libraries and Frameworks (Numpy, Pandas, Seaborn).

Introduction to Basic Statistics, Data Preparation, Representation and Analysis

Visualization using Matplotlib

Machine learning and its types

RESPONSIBILITIES

Among other responsibilities, our volunteer teachers are in charge of the following tasks:

- Teaching the course to groups of 10 students in English
- Creating materials and lessons for the course
- Assessing the homework, performance and final projects of the students
- Collaborating in a team of volunteer-teachers
- Coordinating with the ReDI team to improve the courses and the student and teacher experience

Thanks to your efforts and dedication, integration is one step closer!

Cyberspace, 04/01/2023
